thusiasts keep their skills sharp through winter. The sail-
boat races are the most class boats
in the U.S. When the race
starts, the sailors hoist them up
and walk off to the car carrying the

Chatham Widens

AND MAP, PAGE 2

The break through the Chatham bar which opened last winter in a northeaster that tore through the substantial spit of land that runs from Orleans down the whole forearm of the Cape out to sea well beyond Chatham has grown and grown since then. It is now so wide that no ordinary lens can capture the break. It is far enough off shore so that it is difficult to estimate the distance but our guesstimate would put it at half a mile or better and apparently growing so that the break will leave the area just below the Coast Guard light station open to the sea for some time in the future. One advantage to the inside beach is that the sand which formerly made up the bar is now on the inner beach which has widened very noticeably.

Mattapoisett Selectmen's Meeting

DECEMBER 8, 1987-by VIRGINIA MORGAN
HEALTH PROBLEM IN
TWO STREETS' WATER PIPES

The problem experienced by residents of Whaler's Way and Eldorado Drive with the quality of their water was discussed at the Selectmen's meeting last Tuesday with David Cameron of 8 Whaler's Way.

A letter received by Selectmen

*Professional Tailoring
&
Alterations*

Call 748-2739

from Mr. Cameron on November 24th expressed concern for the possible health hazard from the small quantity of TCE (tetrachloroethylene) entering the drinking water to his home via Johns-Manville Company's vinyl lined pipes. Last Tuesday night Mr. Cameron continued to express his concern and asked why the money received from the class action suit with Johns-Manville in the amount of \$11,400 couldn't be used to install new pipes rather than installing bleeders.

Mr. Cameron estimated the cost of \$13,000 to install new pipes in the approximately 1300 feet of line, 300 feet on Whaler's Way and 1000 feet on Eldorado Drive. He felt the work could be done at \$10. per foot with non-union help. He related that in 1980/1981 bleeders were installed bringing the parts per billion down from 20 to 18. At the present time, the percentage of TCE in the pipes is two parts per billion. Although the permitted safe

levels allowed by the state is four parts per billion, Mr. Cameron expressed concern that his children are drinking this water.

Mr. Cameron said he wanted to deal on a local level rather than going to the state Attorney General's office. He admitted Water/Sewer Superintendent William "Nick" Nicholson has sent him copies of all test reports. At an earlier meeting it was noted that the water superintendent is satisfied the Water Department has satisfied the state requirements in dealing with the TCE since 1980.

Selectmen Chairman John DeCosta and Selectman William F. Hubbard agreed they wouldn't want their families drinking this water and will contact Town Counsel Donald J. Fleming to determine the town's responsibility concerning the finding of the court and the dispensing of the funds.

Mr. Cameron said he had consulted Sandra Dawson, a realtor, who appraised his house for sale, and she said there could be a 20 percent reduction in resale value because of the pipes.

the North Street entrance to the park and the "winding" roadway into the park; expansion of the storm drainage system; and expansion of the sewer system to the Industrial Park.

Mr. Folino wrote, "While these items are not of a critical nature, there has to be some planning for the future. The storm drainage existing system is adequate for all existing buildable lots; however, in the future there remains a large undeveloped area (100 plus acres) to be developed. Also, is it possible to consider a sewer line run on Industrial Drive, and is there any state funding available for development of Industrial land?"

In response to Mr. Folino's letter, Chairman DeCosta noted there is little the town can do as the Industrial Park is privately owned. They agreed to refer the matter of sewer expansion to the water superintendent.

HEARD FROM State Senator William Q. MacLean, Jr. (D-Fairhaven) that a final draft version of the Environmental Enhancement Bond issue has been signed by a Joint Conference Committee, and is expected to be enacted into law pending final approval by the full Legislature. The resulting draft totalled \$500,110. and funded programs in four main areas: public access and conservation; preservation assistance to

not only be good for today but should prevent many problems from arising in the future with our environment."

RECEIVED A LETTER from the State Department of Revenue, Division of Local Services relating to their review of the Bureau of Accounts' fiscal year 1986 audit report for the Town of Mattapoisett. The report recommended corrective action for the town in the following areas: the Assessors' Department; the Treasurer/Collector's Department; Tax Title; Department staffing; trust funds and invoice processing.

Selectmen noted the voters at the recent Special Town Meeting voted to hire an additional clerk for the Treasurer/Collector's office and to purchase a computer service for that department. All other areas of concern in the report have been taken care of by the Selectmen.

RECEIVED A LETTER from Dr. Burt M. Hall of Wellesley Hills and a sum-

mer resident of 122 Dupont Drive regarding the commercial marina of Robert Ringuette on Dupont Drive.

Dr. Hall wrote, "As the Board of Selectmen may well know, I have been a staunch and vocal opponent of this marine enterprise from its inception and strongly felt (and still do) that the town as well as the Board of Appeals erred in granting Mr. Ringuette a permit to oper-

ate the present marina. The grandfather clause that permitted this to happen goes far behind the original intent of the association marina that was originally there. Mr. Ringuette has unfortunately made no attempt to observe a lot of the restrictions stipulated in his permit. In an area with fancy \$250,000 to \$500,000 homes, Mr. Ringuette's property remains an eyesore and a disgrace."

Among Dr. Hall's complaints are lack of parking, traffic; also, Mr. Ringuette blatantly allows his customers to stay overnight on their boats. "Finally, the point that bothers me the most is the fact that Mr. Ringuette has allowed the launching and hauling out of boats at the marina which is a direct violation of the permit. I ask that the Town investigate the infractions to the permit issued to Mr. Ringuette and to order a cease and desist order and force Mr. Ringuette to comply with the stipulations."

Selectmen took no immediate action but will refer the letter to the Building Inspector Andrew Bobola.

ments for five minute Santa visits
may be made by calling 758-6992 in
Mattapoisett or 748-2340 in Marion.
All visits will take place in the
early evening from Saturday, De-
cember 12th, through Wednesday, De-
cember 23rd. A contribution of \$5.
is required. All proceeds will
benefit the foreign student exchange
program at Old Rochester.

Living Nativity

The First Congregational Church of
Rochester will again present a
Living Nativity scene in front of
the church this year. With the
purpose of reminding people of the
real meaning of Christmas, parishion-
ers will portray Mary, Joseph, shep-
herds, wise men, and angels. There
will also be live animals in the
scene.

The Living Nativity will be pre-
sented from 5:00 to 7:00 p.m. on
December 21st, 22nd and 23rd, and
from 6:00 to 7:30 p.m. on December
24th.

The public is also invited to
attend the traditional Christmas
Eve Candlelight Service at the
church at 7:30 p.m. on December
24th.

WHY SHOULD ATHLETES HAVE CHIROPRACTIC SPINAL MANIPULATION?

ANSWER: Because it can help their performance.

Many amateur and professional athletes are sidelined with injuries that could be avoided. Others sit it out on the bench because their injury just doesn't seem to respond to ordinary treatment. Still others are playing, but at less than their peak efficiency simply because their structural system is not in balance.

Progressive coaches and trainers are realizing that pain-killing drugs are not the answer.

Drugs and medications merely cover up the symptom, deceiving the player into making the injury more serious.

Probably more than any other health profession, chiropractic's approach to health closely relates to the needs of the sports participant. Most sports involve body contact, leverage, fast starts and stops, and positioning that places an unusual strain on the back and structural system. Doctors of chiropractic consider the human as an integrated being, giving special attention to spinal mechanics and neurological, muscular and vascular relationships. Chiropractic is a natural health care method that stresses the importance of keeping all the systems of the body functioning efficiently, so the player enjoys peak performance, a minimum injury risk and fast recuperative powers.

QUESTION:

Here's what you can do:

- Make certain that your athletes are properly prepared for the sport. Preventive care dictates the wisdom of visiting a doctor of chiropractic for a spinal examination on a regular basis. If the diagnosis shows anything not within the scope of chiropractic treatment, the conscientious doctor of chiropractic will refer the athlete to one of the other health specialties.

- Make certain that a doctor of chiropractic is a member of your health team. Many of the high-performing professional and amateur teams have retained doctors of chiropractic as their team physicians.

- Minimize the use of drugs and medications and utilize natural health methods.

Marion Selectmen's Meeting

DECEMBER 8, 1987-by EUNICE MANDUCA
A COMMUNITY SERVICE OF THE
LEAGUE OF WOMEN VOTERS

The bids for the printing of the
Town Report and Warrant for the An-
nual Town Meeting were opened and
read. Because some gave a per page
cost and some gave a single amount
for the entire job, more information
will be required from the bidders.
The matter was taken under advise-
ment.

Assessors Arthur Thompson, Brad
Eames and Mary Nicholson reported
that small towns in Massachusetts
have established a single rate for
residential and commercial real es-
tate taxes. Although the Board of
Assessors has completed its work on

schedule, certification of the tax rate has not been received from the State and tax bills cannot be mailed until the notice of certification has been received by the Assessors. It was suggested that taxpayers who want to get their checks for real estate taxes credited for 1987 returns may send a check based on last year's taxes and any discrepancy can be cleared up when the bills are sent out.

Selectmen received a petition from the Telephone Company to bury wire and conduit road crossing along County Road for a home under construction. Abutters will be notified and a hearing will be scheduled.

Charles Paulsen, Chairman of the Finance Committee, and the Selectmen discussed the Warrant of the Special Town Meeting to be held on December 15th at the Sippican School.

The scheduled hearing with Edward C. Brainard II was postponed.

Selectmen Chairman John Hoagland announced that there will be no Selectmen's meeting on December 29th. The next meeting will be

the D.P.W. that the Federal Government will be requiring the local D.P.W.s to individually inspect all homes in town for any illegal connections to the sewer system. C.D.M. also stated that PVC pipe for water is safe. The D.P.W. cleared the effluent brook three times during 1987. Leaves, branches and forest debris were removed. There followed a discussion on the merits of clearing several brooks to improve flow and prevent back-up. A permit fee of \$25. was voted for offal truckers. A D.P.W. worker has to unlock the gate for all offal truckers and inspects the truck for leakage at that time. Mr. Pickles has filed for a grant of \$8000. to cover the design phase of Island Wharf Park.

Voted: Several abatements for errors in Water Department billing.

Voted: Roger Blanchette was appointed to the Zoning Board of Appeals.

Because of abutters' concern about the construction of Cross Neck Road, residents will be notified of Mr. Ewell's offer to do a walk-around with any interested parties to explain construction plans. Mr. Ewell represents the developers of the new

sub-division on Cross Neck Road. One resident is concerned about access to her property during the construction of Cross Neck Road.

An invitation to the Selectmen to attend a meeting with the Planning Board, Zoning Board of Appeals and the Conservation Commission at the home of Mr. Ted Iddings was declined. Mr. Iddings, with Hammet's Cove Associates, is planning to develop land at Hastings Lane and Creek Road off Route 6. Mr. Pickles stated that the earliest the Selectmen could set up a hearing with Mr. Iddings would be in January.

Chairman Hoagland reminded the Marion Natural History Museum representative that one Selectman, a Board of Health representative, and a member of the Water Department should be included in the plans for the bus tour of the Marion water and sewer facilities which will be sponsored by the Natural History Museum. The date of the tour will be set after the first of the year, and townspeople have been notified to call 748-2500 and leave their name

Erhardt of 90 County Road, Chairman Ted Pratt and Ray Pickles will meet with Mr. Fricke and Mr. Erhardt to address concerns relating to a recent septic system installation by Mr. Erhardt.

Chairman Pratt, in a recent meeting with the Planning Board, felt there was a positive reaction to the suggestion that Town Boards consider drafting new regulations concerning sub-divisions and improve communications among all Boards. It has happened in the past that different plans have been submitted to the Board of Health and the Conservation Commission on the same property with the same date. This causes confusion and conflict among Boards. New regulations will address this problem. Mr. Pratt also suggested that secure, fireproof files should be considered with limited access to all files. He will develop plans for micro-filming of significant records and security of

land use related files and get estimates of cost for such services. On January 19, 1988 Tom Fantozi of Coastal Zone Management, will be present for the first early Board of Health meeting at 7:00 p.m. Each third Tuesday of the month the Selectmen's meeting will follow the Board of Health meeting.

There was a discussion concerning the 'Snooper' which is a device for locating sources of pollution. It is a broad base indicator but doesn't work well in salt water. The M.R.C. will develop recommendations for fresh water testing at inlets and Town boundaries.

Received notice from the Mass. Department of Public Health of removal of asbestos insulation from 93 Wareham Road for proper disposal.

Received notice from Mass. Department of Environmental Management that public hearings will be held concerning the proposal of Clean Harbors of Braintree, Inc. to build a rotary kiln incinerator at its Braintree site.

RTE. 6. MATTAPOISETT. THE ROPEWALK
200 MAIN STREET . FALMOUTH

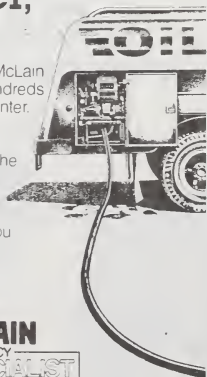

Every million years an entire thin surface layer of the Moon's soil is turned over 100 times by meteorites that land on the planet.

If you saw too much of this last winter, call us now.

We'll show you how a new Weil-McLain Model 68 oil boiler could save you hundreds of dollars on your heating bills next winter.

The fact is, many older boilers operate at only about 60% efficiency. That means that as much as 40% of the fuel you're paying for could be going right up the chimney. The new Weil-McLain 68 oil boiler operates at over 84% efficiency—so it can save you enough money in oil bills to pay for itself in a few short years.

Find out how much you could save—call us today.

Men's Fellowship

The Rev. Ernest Cockrell will speak on "The Pagan Invasion of Christ's Mass: the secular abuse of sacred symbols" (how modern advertising seeks to seduce the people through secular thoughts disguised in religious clothing; is Christmas pagan or religious?) at the Men's Fellowship Breakfast at St. Gabriel's Church Parish Hall, Front and South Streets, Marion this Sunday, December 20th.

Rev. Ernest Cockrell, a resident of Marion and Rector of St. Gabriel's Episcopal Church for the last twenty years, is a well-known theologian and Biblical scholar. Again this year, by popular demand, he will be back with us. This is always a program not to be missed.

Breakfast is at 8:30 a.m. (early bird coffee at 8:15).

The Men's Fellowship offers all men of the tri-town area an opportunity for friendly association with no obligation to participate in service or religious projects. Breakfasts are prepared in turn by members. Donation is \$2.50.

Lamaze Classes

The next series of Lamaze classes at Tobey Hospital will be held at the Hospital cafeteria, beginning on Thursday, January 7th. Sessions are

Mattapoisett Council on Aging

**ELDERLY MAY QUALIFY FOR
REAL ESTATE TAX EXEMPTIONS**

During the debate on Article 24 at the Mattapoisett Town Meeting the Board of Assessors set forth its policy of granting real estate tax exemptions to residents 70 years of age or older who own property and who qualify under any of several state programs.

Pursuant to this policy, any town resident 70 years of age or older who is single and has gross income of less than \$13,000 per year or who is married and has gross income of less than \$15,000 per year AND who have assets (not counting the value of a dwelling occupied by the taxpayer) of not more than \$28,000 if single and \$30,000 if married can qualify for a tax exemption. The exemption is the first \$4,000 of taxable valuation or \$500 in tax which ever is greater.

The Council on Aging urges anyone who feels he or she may qualify for a real estate tax exemption under these guidelines to contact

Boating Course

MATTAPOISETT POWER SQUADRON
EVENING CLASSES

The Mattapoisett Power Squadron will present a public Boating Course this winter in a series of Tuesday evening classes.

Learn to skipper a boat with confidence. Whether you own a sail or power boat, are thinking of buying one, or enjoy boating with friends, our public Boating Course is the best way to learn the basics of safe boating. Topics include sailboat and powerboat handling, rules of the road, docking and anchoring, plotting a course on a chart and finding a boat's position, using a compass, trailering, weather, engine troubleshooting, and water ski safety.

The course is open to anyone 12 years of age or older. Registration will take place at Old Rochester Regional High School in Mattapoisett from 7:30 to 8:30 p.m. Tuesday, January 5th. Classes will start the following Tuesday at 7:30 p.m. and late registration will be accepted at the first class. A certificate of completion will be awarded to all who complete the course and pass the examination.

The Mattapoisett Power Squadron is a chapter of the United States Power Squadrons, a nationwide organization of over 50,000 members in 446 squadrons. The Mattapoisett chapter, which offers this course on a yearly basis, was chartered in 1952.

Mattapoisett Board of Appeals

ANNOUNCE DECISIONS NOVEMBER 20

by VIRGINIA MORGAN

FIVE SPECIAL PERMITS GRANTED

The application of Frank F. and Mary B. Sylvia, 25 Delano Way, South Dartmouth for a Special Permit for a change of use of an existing structure from residential use, a two-family dwelling, "to a combination of business and residential use" and for certain construction changes on the property located at 25 County Road (Route 6) in the General Business District has been granted.

The Appeals Board determined that

★ Mattapoisett ★

A Cape with style of its own! Located close to the village on a non-thru street. 3 bedrooms, 1 1/2 baths, modern kitchen with lots of cabinets, formal dining room, den and fireplaced living room. Attached 2-car garage and a great enclosed Florida room. An exceptional home realistically priced at \$219,000.

MATTAPOISETT

Over an acre of land surrounds this 2-bedroom ranch with a large double garage. Family style kitchen, wall to wall carpeting throughout, fully insulated for economy. Offered at \$179,500.

MATTAPOISETT

Located in a country atmosphere with nearly 1 acre of land, this 3 bedroom Cape is within minutes to everything. Fire-placed living room, bright cheerful sunroom, modern kitchen and large 2 car garage. New siding, roofing and combination windows. An excellent opportunity and a must see. \$190,800.

994-9029

44 MAIN STREET, MATTAPOISETT

MATTAPOISETT

2 1/2 acres of land, privacy and almost 3,000 sq. ft. of living space are just part of the appeal of this custom built Cape. 8 rooms, 4 or 5 bedrooms, 2 1/2 baths, including large kitchen and family room area across back of house with sliders to lovely mahogany deck. Your choice of master bedroom on first level or master bedroom suite upstairs. Fireplaces in family room and living room and downstairs den are just some of the fine features. \$285,000.

MATTAPOISETT

Want a country setting but a neighborhood atmosphere? That's what this nearly new 5 room Cape offers on 1 3/4 acres of land. A 1-car garage, bright family room, and a 2nd floor ready for finishing if you need more than the 2 bedrooms this custom-built home offers make this a good value at \$199,900.

FAIRHAVEN

Located in center, close to schools and beaches. This solid, updated home has a newly finished 2nd floor with 2 additional bedrooms, sewing or study area and 1/2 bath. There is a partially completed playground in the full basement for rainy days and a 2-story barn/garage for parking and the handyman's workshop. \$159,900.

WAREHAM

Victorian charm at its best! Gingerbread-trimmed farmer's porch at front and along the side of this 7-room home completes the picture. Located next to school, close to everything. Remodeling includes sliders from sunny kitchen to new sundeck. 3 bedrooms and much more. \$138,000.

NEW LISTING-WAREHAM

A lovely 8 room antique Cape on a very visible 1 acre lot along Routes 6 and 28. Perfect setup for an antique shop, real estate office, bank, restaurant or other commercial use. Property zoned commercial and within 100 yards of I-195. Home is in perfect shape and offers 3 bedrooms, 4 fireplaces, 1 1/2 baths, pine floors. \$370,000.

the lot and structure are both lawfully non-conforming. The frontage of 115.29 feet is less than the required 150 feet and the actual street setback is 13.8 feet rather than the required 20 feet.

The applicants will add a new porch 7 feet by 62 feet by 32 feet and raise the lower roof of the building and reconstruct the first floor from residence use to office use. The estimate of cost is \$50,000. No one appeared in opposition. The proposed change will not be more detrimental to the character of the general business district and will be in harmony with the purpose and intent of the zoning by-law.

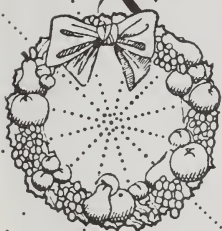

The Board expressed concern with the potential adverse impact on traffic safety as vehicles may become backed up on Route 6 as they await entry onto the property by the only access to it, the 28 foot driveway along the west side leading to parking in the rear; therefore, certain conditions and safeguards have been set; the area between the south elevation and the sidewalk on County Road (Route 6) shall be landscaped with low growth shrubs with a view to increasing the visibility to motorists; the parking spaces shall be only as designated by the board and the driveway shall be kept clear of parked vehicles at all times.

The second special permit was granted to Nicholas C. Decas and Gregory L. Decas, 46 Oak Street, Wareham re-

units. All conditions, including an
amendment regarding setback require-
ments have been met. The construction
of a multi-family dwelling unit con-
taining four dwelling units will be
subject to the following conditions
and safeguards: at all points the
structure shall be set back 30 feet
from the 302.54 foot northwesterly
bout of the lot; the applicants
shall provide screening in the 30
foot strip of the property which
lies in the Rural Residence District
by maintaining existing trees,
shrubs and natural woods growth to
the maximum extent possible.

The third Special Permit was grant-
ed to Mary Hardy, 17 Crystal Spring
Road relating to the property lo-
cated at 17 Crystal Spring Road for
construction of a screened-in porch
and exterior stairway to be added
to the front of a single family
dwelling in the Rural Residence
District. The applicant has been
granted a permit based on the actual
34 foot street setback which did not
meet the required 50 foot setback
in density regulations.

No one appeared at the public hear-
ing in opposition to the construction
of a 6 foot by 18 foot screened-in

porch-deck.

The fourth Special Permit was granted to Joseph Almada, 88 Acushnet Road relating to construction of a guest house on his property. The plan is to remove an existing 21 foot by 21 foot shed and to construct a 36 foot by 32 foot guest house in its place. The guest house will be a Cape Cod style house with a kitchen-living room area, bedroom, bath and unheated porch on the first floor, with the upper floor a one room attic. The proposed structure meets all requirements of the Zoning By-Law and will be in harmony with the general purpose and intent of the by-law.

The fifth Special Permit was granted to Katherine H. Dunphy, 90 Governor Stoughton Lane, Milton relating to property located at 3 Mattakiset Road where the applicant will construct changes to a two-story single family dwelling, an existing non-conforming structure on a conforming lot in the Antassawamock Beach section in the Waterfront District.

The changes are to raise the ex-

second floor and to add decks and exterior stairways. A number of neighboring property owners appeared at the public hearing in support of the application; no one appeared in opposition.

A petition filed for a Variance by John J. and Judith A. McGarrie, 10 Hitching Post Road for a garage built in 1984 which did not meet the required 20 foot setback Zoning By-Law.

The present owners purchased the property in July 1986 and, following a survey of the ground, discovered that the southerly side of the garage was in fact set back only 14.4 feet from the southerly sideline, hereby failing to meet the by-law. No one appeared in opposition.

The Appeals Board determined that owing to circumstances relating to the shape of the lot or structure and especially affecting such lot but not affecting generally the Residence District, a literal en-

forcement of the 20 foot side setback requirement would involve substantial hardship, financial or otherwise to the petitioners, and that desirable relief may be granted without substantial detriment to the public good.

A final decision for a Variance filed by Frank and Patricia K. Stanton on Concord was denied. The petitioners wish to construct a shed on the property of the petitioners at 3 Avenue A in the Peases Point section in the Waterfront District. The lot is located in the Flood Plain District. Without the benefit of a building permit, the petitioners have proceeded to construct an 8 foot by 10 foot shed with sides 6 feet in height plus a roof. The placement of the shed is in violation of the density regulations of the zoning by-law and does not meet the applicable 10 foot side setback.

Also, the construction itself is in violation of the flood hazard area regulations of the by-law. The Appeals Board found the petitioners undertook the construction after being fully advised by the Building Inspector that they should not go forward without a variance from this Board and a building permit. Mr. and Mrs. John Musser appeared at the public hearing in opposition to the

petition. The Board requested the Building Inspector undertake such enforcement action as he deems necessary and appropriate in light

PROFESSIONALS IN REAL ESTATE

MARION

Old Landing office condominium, a prime unit consisting of 3 beautiful offices totaling 935 square feet in a charming setting. Close to Rte. 195, yet in one of New England's finest unspoiled waterfront villages.

WATERFRONT

We have 3 homes on the water in Mattapoisett and Fairhaven. Prices start in the 300,000s.

MATTAPOISETT

A BOAT WORKS consisting of over 4 acres of 3 heated buildings totaling 12,590 sq.ft. and generating an excellent income of \$3200 per month. 2 buildings are rented and one is available. \$495,000.

MATTAPOISETT

A GOOD VALUE

Homes are expensive, but we are offering 4 bedrooms, 2 full ceramic tile baths, family room with built-in bookcases and cabinets, living room with flush hearth fireplace and kitchen with dining area. All in a quiet residential area.

Only \$179,900.

ROCHESTER

We have a straight front Colonial with lots of room and a beautiful site. The eight large rooms include kitchen, formal dining room, living room, study, family room, and three bedrooms. There is plenty of space in the walk-up attic for future expansion. Please call us for all the details regarding this exceptional value.

Pre-Construction Price \$269,000.

From O.R.R.

MATH TEAM

The ORR Math Team ranks second in Massachusetts behind Phillips Academy after the first meet of the Atlantic-Pacific Mathematics League and 32nd nationally out of 360 schools competing. Leading the scoring for ORR were: Vicki Hiller (perfect score), Patrick Wetmore, Lauri Lizotte, Mike Tremblay, Josh Pond, Greg Horan, and Sue Reid.

ORR'S RODRIGUES

GIVES PROJECT ERR WORKSHOP

In December Old Rochester Math Instructor Joao Rodrigues gave an all day workshop to 40 Math Instructors from around Massachusetts, Connecticut, and New Hampshire.

The topic involved the creation, implementation, and continuing process in a solid Consumer Math Program. Old Rochester is very fortunate to have been a leader in the state by designing such a program

some 18 years ago.

Mr. Rodrigues has been the author of the program and has given such workshops for many years. The program was addressed at various levels, since it is offered as a basic course and also at the college level at Old Rochester.

Project ERR is an educational training collaborative having some 52 school districts involved. These workshops are offered at different times around the state and have a wide range of topics and presenters. Those attending the workshops received certificates for completing the workshop successfully.

The need for such a program at all schools has been stressed since all of the skills in the courses are needed for everyone throughout their lives. The course uses materials from outside sources such as banks, insurance companies, Social Security, the IRS, rental agencies, car dealers, private businesses, and others. Students do research projects in the community, handle real life situations,

Install magnetic interior insulating windows from BFGoodrich.

- Lowers energy costs • Reduces drafts • Minimizes condensation
- Lowers noise levels • Matches any decor • Cleans easily

With BFGoodrich lightweight, insulating interior windows in place this winter, your money won't fly out the window. Designed to form a magnetic airtight seal around primary windows, BFGoodrich magnetic windows can reduce drafts, double the insulating value of your windows, and cut your heating bills. Typically, these windows pay for themselves in less than three years.

December 16, 1987 PRESTO PRESS

"I was tired of living in a tent."

"At 256 pounds, the only thing I could wear was a tent dress. I was so depressed! Then my doctor sent me to Diet Center. That's where I met Merrely. She's more than a counselor, she's a very good friend. With her help, I lost 126 pounds and 126 inches in 14 months. Now I have a whole new wardrobe and I feel great."

Whether you need to lose 20 pounds or 200, Diet Center has a program that can work for you. Call today.

ed a total of \$10,900 in scholarships in May of this year. All area young women who are attending four-year colleges are invited to attend as guests.

Financial Aid Seminar

JANUARY 12 AT SMU

High school students concerned about financial aid for college can attend a free seminar on the subject from 7 to 9 p.m. January 12th at Southeastern Massachusetts University. The seminar, to be held in the Campus Center main auditorium, is open to students, parents, and other interested persons. Parking is in lots 5 and 6.

Topics will include sources and types of financial aid, the application process, and the acceptance

and disbursement of financial aid awards. Staff from SMU's Financial Aid Office and SMU students who are trained as financial aid peer counselors will present the seminar. For more information call 999-8632.

Help for Small Businesses

SBDC TO OFFER PROGRAM ON QUALITY IN BUSINESS

Manufacturers, service providers and offices concerned with achieving quality in their businesses can attend a nine-week program sponsored by Southeastern Massachusetts University's Small Business Development Center January 23 - March 19.

"How to Become a Quality Supplier" will run on Saturdays from 9:30 a.m. - 12:30 p.m. at the Fall River Area Chamber of Commerce, 200 Pocasset Street, Fall River. Tuition is \$315. per person. For more information call the SBDC at 673-9783.

Topics will include developing a master plan, motivating employees, and the basic components of a quality system. The program will be taught by Frank Greenwood, Ph.D., professor of management at SMU. At the close of the program, Greenwood will be available through the SBDC for free follow-up consultations in establishing a quality system.

Taking a "Constitutional"

CONSTITUTIONAL HISTORY TOUR GUIDE FREE BROCHURE AVAILABLE

A new brochure offering a self-guided walking tour of Boston sites having special relevance to the Bicentennial of the Constitution is available free of charge from its co-sponsors: the Massachusetts Bar Association (MBA) and the Boston National Historical Park.

Sites described on the tour, which is entitled "Taking a Constitutional", include the Old Suffolk Courthouse, renowned for its imposing granite edifice and vast interior

spaces; the New Suffolk Courthouse, an important example of art deco architecture; the headquarters of the Boston Bar Association, the oldest bar association in the country (1761); Court Square, the 19th century location of Boston's courthouses; the McCormack Post Office and Federal Court Building, home of the federal courts; the State House; the Old South Meeting House and 25 other locations.

The tour takes about two hours and encompasses approximately one square mile of Downtown Boston.

"Taking a Constitutional" was written by Boston College Law School Professor Charles H. Baron, a member of the MBA's constitutional bicentennial committee.

Baron's introduction traces Boston's influence on the Constitution, from Boston lawyer John Adams' laying down the principal outlines of the Constitution in 1776; through the roles played by Daniel Webster, Oliver Wendell Holmes Jr. and Louis Brandeis as advocates and interpreters; to the roles played by suffragettes Margaret Fuller and Lydia Child in the movement that resulted in the passage of the 19th amendment.

Copies of "Taking a Constitution-

al" are available in Boston at the National Park Service Visitor Center, 15 State Street and at the

orange and peach.

These beautiful begonias with their dark green leaves and small rose-like blossoms are a special treat for the house plant enthusiast. These plants will blossom through the winter and after a rest period will blossom again if given the proper growing conditions.

Regier begonias, like most other flowering plants, require bright light supplemented by a half day of sun and when in active growth, a monthly application of a house plant fertilizer recommended for flowering house plants. Allow the soil to become slightly dry between waterings, then water deeply being careful not to wet the leaves as begonias appear susceptible to powdery mildew and moist leaves encourage this fungal disease.

When the plant has stopped flowering, it is time for the Reiger begonia's rest period. Gradually reduce watering, stop fertilizing and after 10-14 days cut the stems back to three inches. Repot the plant in a slightly larger container using a commercially prepared potting soil

or a mixture of equal parts of peat moss, vermiculite and sterilized garden loam. Water the newly repotted begonia and then keep the soil on the dry side, watering only enough to keep the soil slightly damp, until new shoots appear.

Once new shoots appear, begin watering and fertilizing on a regular schedule as stated earlier. Your Reiger begonia should begin flowering again in three to four months.

For other information on the care of "Christmas Cactus" or Holiday House Plants send a postcard to Plymouth County Cooperative Extension, P.O. Box 658, High Street, Hanson, MA. 02341. Cooperative Extension work in Plymouth County is primarily funded through Plymouth County government. The program it provides is a result of a joint partnership between County, the land-grant institution which is the University of Massachusetts in Amherst and the United States Department of Agriculture.

New England Contradance

A New England Contradance will be held on Saturday, December 26th, at the Rochester Grange Hall, Hartley Road, Rochester from 8 to 11 p.m.

Geese in The Bog will perform traditional and original contradance music. Instruction and calling will be provided by John Alden of Cataumet. All dances are taught and beginners of all ages are welcome. Come alone or with friends; dancers change partners throughout the evening.

For more information call 763-3410.

New Bedford Women's Center

MEN WHO COOK FUNDRAISING DINNER

The New Bedford Women's Center has begun planning for its second annual "Men Who Cook" Valentine's Eve fundraising dinner to be held Saturday, February 13th, from 6 to 9:00 p.m. at the New Bedford Vocational High School. Last year 85 men from a great variety of ethnic backgrounds and experiences cooked for 400 enthusiastic and hungry eaters, raising more than \$4,000 for the Women's Center.

Any and all aspiring male cooks, seasoned chefs, gourmets and gourmands are invited to participate in this event by preparing their favorite dish at home for 15 people; refrigeration, steam tables, hot

DEPARTMENT OF ENVIRONMENTAL QUALITY ENGINEERING Division of Wetlands and Waterways Regulation Waterways Regulation Section

PUBLIC NOTICE

WATERWAYS LICENSE APPLICATION NO. 87W-244
Public notice is hereby given pursuant to G.L. Chapter 91, s.18 of the application of The Department of Environmental Management for authorization to rehabilitate and maintain an existing dam, repair concrete structures, install weir and slide gates and construct and maintain a new denil fishway at property located at 16 Main Street in the municipality of Mattapoisett in and over the waters of Mattapoisett River. The proposed use of the structure(s) and/or fill is for control of water levels for water supply, herring run and navigation.

The Department will consider all written comments submitted within thirty (30) days subsequent to the date of publication of this notice in order to decide whether to grant authorization for the proposed activity pursuant to G.L. Chapter 91. Written comments on this proposal must be submitted to: Department of Environmental Quality Engineering, Division of Wetlands and Waterways Regulation, Waterways Regulation Section, One Winter Street, Boston, MA. 02108. Further information on this application may be obtained by contacting the Division at 292-5695.

TAX INFORMATION

AT YOUR FINGERTIPS TOLL-FREE

BOSTON...The IRS provides recorded information on more than 100 tax topics and your personal return toll free. By calling 1-800-554-4477 you can access the Tele-tax information line and listen to recordings such as "Should I Itemize?" or "Dependents - Who can I Claim?"

This helpful and informative service is available 24 hours a day, seven days a week with a tone signal phone. A complete listing of recorded subjects is available in the instructions to Form 1040 or 1040A as well as Publication 910.

When you have filed your return, this same toll free number can be used to receive information about your refund. Is there a problem with your return? When will your refund be mailed? Tele-tax can keep you informed. Refund information is available from 6:30 a.m. to 6:00 p.m. Monday through Friday.

Christmas Concert

MUSICAL OFFERING

CHRISTMAS ENGLISH CAROL CONCERT

"A superior musical offering". The 11th annual Christmas English Carol Concert, performed by the Community of Jesus choir, will be broadcast on TV58 Christmas Day at 10 a.m. and 7 p.m.

The English Carol Concert, a treasured Christmas tradition for many, has been described in past music reviews as "a full and satisfying musical feast". One critic wrote, "It is not possible to describe the superb result."

The hour-long concert features the Community of Jesus choirs, and is accompanied by the Community of Jesus orchestra.

The Community of Jesus choir, under the direction of Mrs. Betty Pugsley, will return to England this winter for another month of concert tours. They will also be studying again under Dr. George Guest, choirmaster of St. John's College Cambridge, and Mr. Stephen Cleobury, choirmaster of King's College, Cambridge, whose Christmas services are broadcast worldwide.

Q. IS PASSIVE EXERCISE JUST A FAD?
A. DEFINITELY NOT! Passive exercise is the al-
ternative to strenuous exercise. It has been said
by physical therapists that the concept is effective
for people with heart problems, artificial joint
recipients, arthritics and others. Imagine effort-
less exercise that provides muscle tone strength,
muscular endurance, flexibility, better circulation
and inch loss! Call for complimentary visit or just
stop in and see for yourself. BODY DESIGN,

a Model Cities Award, and the Fall River office, under his management, received a Superior Public Service Award presented by the then Health & Human Services Secretary Margaret Heckler.

Mr. Hogan has been very active in the Lions Club for the past 20 years which included a term as Deputy District Governor. He was chairman of 2 different Public Affairs committees in the New England area and chairman of the Boston Regional Service to the Public committee.

Mr. Hogan is married to Joanne Hogan and has 3 children. He currently resides in Mattapoissett and plans to eventually relocate in Florida. After retiring he will be doing some traveling throughout the United States.

Friends of Wholism

DECEMBER PROGRAM

Friends of Wholism is a networking group for people interested in celebrating human potential. Meetings are on the third Sunday of every month at Nemasket Gallery at 56 Bridge Street, Fairhaven.

On Sunday, December 20th, from 1 to 5 p.m. there will be a special holiday celebration. Come participate or be audience to a myriad of traditional and non-traditional ways to honor the season. Healthy refreshments will be served. Please bring an ornament to help decorate a tree to be donated to a local nursing home. The cost is \$5.

For more information call 993-1151.

The afternoon will begin with Native American drumming and chanting, led by Deborah Keir, honoring winter solstice. Next, Fr. Phil Kelley

Thornton Burgess Society

CHRISTMAS VACATION FUN

The Thornton W. Burgess Society has some natural history fun planned for the youngsters during the holiday school vacation at both the Burgess Museum in Sandwich Village and the Green Briar Nature Center off Route 6A in East Sandwich.

On Monday, December 28th, and Wednesday, December 30th, all are invited to enjoy a "Fireside Storytime", featuring Peter Rabbit and friends. Two storytimes are scheduled each day at the Burgess Museum, 10:30 a.m. and 1:30 p.m. A 50¢ donation per child is requested.

Also on December 28th and Decem-

Old Colony

NOMINEE SELECTED

Kimberly Kallio, a senior at Old Colony Regional Vocational High School, has been selected as the school's nominee for the Daughters of the American Revolution "Good Citizenship Award". As Old Colony nominee, Kimberly is now eligible to compete for the Massachusetts award.

Kimberly was selected based upon her qualities of leadership, dependability, service, and patriotism. Her application will now be reviewed by the local D.A.R. Chapter.

Kimberly is active in many activities at the school. She is a member of the Old Colony Chapter of the National Honor Society, the student council, VICA (Vocational

STUDENTS WIN WRITING CONTEST

Three students at Old Colony Regional Vocational Technical High School were recent award recipients in the Annual Standard-Times Holiday Writing Contest.

Bruce Bachand, a junior in the drafting department, received the second place award for his essay entitled "Homeless Holiday". Senior Travers Charron was awarded an honorable mention for his essay entitled "To Believe in Santa". Travers, also a drafting student, won first place in the Holiday Writing Contest last year. A freshman, Christine Buckley also received an honorable mention for her essay entitled "That Special Tree".

The awards marked the third consecutive year the Old Colony students have received awards in the annual Holiday Writing Contest. The student participation at Old Colony was coordinated by English Instructors Nancy Castino and Deborah Herrmann.

Put less money into your boiler.

A new Model 68 oil boiler from Weil-McLain could save you hundreds of dollars on your heating bills—this winter alone!

If your oil boiler is more than 10 years old, it could be operating at only 60% efficiency—or less. That means 40% of your heating dollars could be going right up the chimney.

But a new 68 boiler from Weil-McLain operates at 84% efficiency, which means it can pay for itself in just a few short years. That means more money in your pocket—and less in your boiler.

Find out how much you can save with a Weil-McLain 68 oil boiler. Call us today!

AUTOMOTIVE STUDENTS ATTEND FIELD TRIP

Recently students in the Automotive Department at Old Colony Regional Vocational Technical High School visited the Precision Engine Rebuilding Company in Somerville, Massachusetts. The company is one of the largest automotive engine rebuilding companies in the country.

The students were allowed to tour the entire facility learning about all phases of machine engine rebuilding. The students were pro-

vided with the opportunity to ask employees questions about all phases of the rebuilding process.

The trip was funded by Old Colony's School Improvement Council.

REPORT CARDS MAILED

The guidance office at Old Colony Regional Vocational Technical High School recently mailed first trimester report cards to the parents of its students. Parents with questions pertaining to their child's grades are urged to contact the guidance office by calling 763-8011, ext. 26.

Upper Cape Regional

ARMED FORCES CAREER DAY

Upper Cape Regional School will be sponsoring an Armed Forces Career Day on Wednesday, December 16th, from 11:30 a.m. to 2:25 p.m. Representatives and recruiters from the Coast Guard, the Marines, the Navy, the Air Force, the Army, and the Army National Guard will be present.

Tables will be set up in the guidance area of the school for display purposes and students will be allowed to pass into the display area in small groups during the day.

The Guidance Coordinator Mr. Ray Marcell said, "Last year's Career Day was such a success we will fol-

low the same basic format this year. We feel this approach will offer both students and recruiters a fair opportunity to discuss and review military options."

This is an opportunity for the students and parents to see all of the armed forces representatives in one place, instead of having to drive to many different locations to collect information. Students will be made aware of the career opportunities available and the vocational skills used in the various branches of the armed forces.

Mr. Marcel says, "This is a fine opportunity for students to explore the military career options which may compliment their vocational training."

An Armed Services Vocational Aptitude Battery Specialist will also be available to explain the attributes of taking an aptitude test.

Bristol Community College

EARNING A DEGREE ON THE WEEKEND

If you work fulltime or are home raising a family, there are 2 ways at Bristol Community College to earn a business administration degree and still enjoy your evenings at home. Weekend College at BCC provides that well-needed alternative to the work, eat dinner, and hurry to school routine many people follow in order to get their degree, says Janice Motta, dean of continuing education.

"After a busy day at work or at home with the kids, the last thing some people want to do is take evening courses. So we've designed a two option program that lets students take classes on the weekend

travel agency. The curriculum has been designed to give students the skill and knowledge necessary to become successful managers in the travel industry.

For more information call 996-3138. Advisers are available for financial aid and career counseling. A deferred tuition plan is available for students eligible for company reimbursement, and the programs are approved by the Veterans' Administration.

Newbury College is accredited by the New England Association of Schools and Colleges, and offers over 30 programs of study in many locations throughout eastern Massachusetts.

Business Roundtable

A group of men and women has formed a "Business Roundtable". This confidential, non-competitive group draws on participants' knowledge, skill, and experience to offer an innovative way to solve everyday business problems.

The Roundtable is open to anyone who wishes to discuss business related issues.

There is no fee for participation. The group meets every Monday from 7:30 to 9:00 a.m. at the New Bedford Area Chamber of Commerce, 838 Purchase Street, New Bedford.

Persons interested should contact Linda Mariorendi at the Chamber of Commerce, 999-5231.
